

Spring 2025 Newsletter

Welcome to our eve of turf season newsletter! After several weeks and months of pre-season training for many of our string it is exciting to have arrived at this point of the year. Our horses and the staff that look after them have been working hard in an attempt to hit the ground running and make 2025 a season to remember.

One More Dream

One More Dream often excels at this time of year on all-weather tracks and it has been no different this time around. He has posted a string of good efforts and got off the mark for the year when winning at Wolverhampton in February.
